

GOVERNMENT OF ALBERTA

PRE-BUDGET COMMUNITY CONSULTATION

Monday, August 31st

On behalf of the Government of Alberta, David Shepherd, the Edmonton-centre MLA, would like to invite you to take part in the 2015 Budget by sharing your ideas and priorities.

The pre-budget consultation process involves consulting with businesses, non-profit organizations, corporations, community groups, and Albertans like you to hear their concerns and priorities. We hope that our community consultations can provide Albertans an opportunity to not only meet their new MLA but to also to engage in the budget process.

During his public consultation, David Shepherd will deliver a presentation to provide an overview of the government of Alberta's economy, finances, and priorities. After this presentation, your ideas will be solicited:

- How we can balance the needs of a young and growing population in a period of economic uncertainty?
- How do we lay a stronger foundation for economic diversification and sustained prosperity?
- What government investments will help facilitate long term economic growth?
- What programs, like our Job Creator tax credit could help inspire growth in your business, how could a program like that help you?

Where: Oliver Community League Hall, 10326 – 118 St

When: Monday, August 31st from 7 - 8:30pm

For more information, please contact the Edmonton-Centre Constituency Office at 780.414.0743 or edmonton.centre@assembly.ab.ca. Our new office address is 10208 – 112 street.

Thank you for participating!
